Was a tramp who called at the residence of Mr. R. G. Seydler Saturday morning. He first asked for work, and on being told that there was nothing to do, said: "Let me have a pair of shoes," pointing to some shoes setting on the gallery. Mrs. Seydler told him he had better leave the shoes alone, as they belonged to Mr. Seydler, but he proceeded to put them on and how, saying, "O, that's all right," and walked off without further ceremony. Mrs. Seydler sent word to Mr. Seydler, who at once started in pursuit of the fellow and soon overhauled him on the road to Yoakum.

DEATHS.

John Haudek, a Bohemian farmer living on Frank Ermis's land about six miles southwest of Shiner died Tuesday night Feb. 20th, of old age. The deceased was about sixty years old and left a wife and seven children. The funeral took place Thursday from the Catholic church.

Wednesday morning of last week Mrs. C. Freyer died suddenly of heart failure. The death was an exceedingly sad one, the deceased leaving two little girls, aged six and ten years, motherless. Mr. Freyer is a member of the Herman Solms and the burial services were conducted by that lodge, of whom there were about fifty present. Mrs. Freyer had been in poor health for some time but was not thought to be seriously ill. The sympathy of the whole community goes out to Mr. Freyer in his sad loss.

One of the curious incidents of the recent cold weather, is the number of frost bitten toes in the community. Nearly every man you meet has frost bitten feet, a result of the cold.

Sore eyes have become almost epidemic all over the county. When first the trouble appears the victims feels as though their eyes are full of sand. This is caused by little blisters on the lids.

Chas. Richter, head bartender at John Oltmanns has gained 40 lbs. since he has been here. This certainly speaks well for the celebrated New Orleans beer which this popular resort handles.—Schulenburg Sticker.

That's nothing, Henry Messer, bartender at the Aransas Pass Saloon gains 40 pounds every week.

Our Institute letter was lost Monday night on the road from Moulton to Shiner. The loss is much to be regretted, but XX will be around again next week.

Mrs. Wm. Green and Mrs. Joe Harwood visited Gonzales the last week.

A NARROW ESCAPE.

On Wednesday of last week while Mrs. Julia Green and Mrs. Harwood were driving in the country they met with a singular accident. They were driving Mr. Harwood's little black to a top buggy and when ascending the hill near the Daniels farm the horse choked down and dropped in his tracks, turning over on his back and turning the buggy up side down. Mrs. Green was thrown to one side and escaped injury but Mrs. Harwood was caught underneath the buggy and severely bruised. Mrs. Green with almost superhuman strength lifted the buggy and released Mrs. Harwood. It was an almost miraculous escape.

The New Time Lock Safe.

The time lock safe for Welhausen's Bank arrived last week, and is a thing of beauty. It is light lead-colored and weighs about 4,000 pounds. Through the courtesy of Philip Welhausen we were permitted to look at the inside mechanism of the safe Saturday. It contains two large vaults, one for silver and one for gold and currency. It would take an expert burglar about a week to force an entrance into the safe. Depositors can feel doubly secure now, as neither fire or burglar could get at money chests.

The man Little was released from the calaboose Monday and left going south.

A W. Hinrichs came up from Moulton Tuesday.

The ball at Mary's hall Monday night was a huge affair.
